Library
Project

Joe Kelly has been JCSP Librarian in Trinity Comprehensive School Ballymun since 2008. One of the most rewarding aspects of this time has been the coordination of the *In Pieces* project. Joe is a regular contributor of book reviews to *Inis* magazine and has twice been a judge for the CBI Children's Book of the Year Award. He has also twice been a member of the panel to select the Laureate na nÓg. His work with author Sheena Wilkinson led to Trinity Comprehensive School being the first school in Ireland to have a Reading Patron. He has developed links between the JCSP Library Project and Vimmerby in Sweden. The school *Arts Guarantee* was launched in Spring 2018. Is breá leis an Ghaeilge agus bhain sé diplóma amach sa Ghaeilge Fheidhmeach i UCD.
