Project

Martina Flynn has been a JCSP Librarian in St. Aidan's Community School, Tallaght since 2008. She is a highly motivated, professionally qualified Librarian with 29 years' experience in the management and provision of digital information combined with technical knowledge, marketing, promotion and project management skills. She worked for ten years at the University of Limerick and established the Business and Technical Information Service and managed its planned development from a pilot information service to a self-funding commercial operation. She has also worked at the Law Society where she project managed the implementation of an Intranet which is accessed by over 300 staff and was the 'starting point' for a new information and e-communication system within the Law Society.
